Drafted 14 September 2012

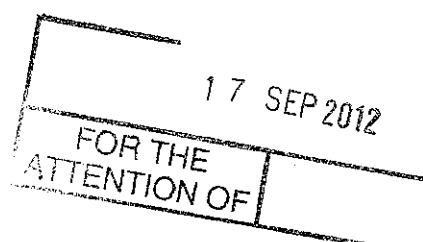

Dear Sir

Planning Applications, Ribble Valley District
3/12/0657 24-28 Garnett Road, Clitheroe

I refer to your letter of 8 August 2012 concerning the above application.

I have no objection in principle to this application on highway safety grounds.

The site provides three off street parking spaces for staff along the southern edge of the main building. There is also an extensive concrete apron to the front of the site that allows parents to drop off their children and manoeuvre from the site.
