II

House, mid-to-late C18th. Slobbered sandstone rubble with slate roof. Central-entry plan with end stacks. 2 storeys, 2 bays. Windows of 3 lights each, with plain stone surrounds and square mullions. The door has a plain stone surround and a pitched hood formed by 2 stone slates on stone brackets. The roof has a crude modern dormer. At the rear is a tall stair window with plain reveals and 4 transoms.
