Ribble Valley Borough Council

Date 21 August 2012

Dear Sir/ Madam,

Applications week ending 10th August

Your Ref No:

3/2012/0682

United Utilities have no objection at this stage. However, the applicant should be made aware that the proposed development falls within the required access strip of a public sewer.

Therefore, United Utilities suggests that the applicant contacts a Building Control Body at an early stage, to discuss this matter further.

Yours faithfully
