Chipping Parish Council

Planning Application Number 3/2012/0718.

Back Lane Chipping.

Chipping Parish Council object to these plans on the following grounds.

1. The planned stone building should not be built on a green field site.
2. The proposed buildings appear to be excessively large for a reasonable requirement.

Abbott Barn was sold by St. Bartholomews Church, Chipping, and has no connection with the field on the opposite side of the road, on which the proposed stables ect. are planned.

Yours Sincerely

Barbara Green Clerk.
