Drafted 26 September 2012

Dear Sir

**Planning Application, Ribble Valley District
3/12/0728 Salem Congregational Chapel, Martin Top, Rimington**

I refer to your letter of 30 August 2012 concerning the above application.

I have no objection in principle to this application on highway safety grounds.

The proposed access takes a convenient route from the parking area to the main building via a new external doorway. The gradient of the path will accommodate all users and is separated from the parking area by means of an established planted area.
