Dear Mr Sharpe

**DISCHARGE OF CONDITION 6 CRAYFISH SURVEY  
HOLDEN WWTW, BOLTON BY BOWLAND ROAD, HOLDEN BB7 4NL**

Thank you for consulting with us on the discharge of Condition 6 of planning permission 3/2012/0524.

I can confirm that we are satisfied with the findings of the crayfish survey and the fish rescue.

However, we are due to meet the contractors out on site to stake out the alignment of the bank protection works but increased flow has hindered/delayed the process.

We have advised the contractors that another fish rescue will be required.

Therefore, whilst we have no objection should you wish to discharge parts of this condition you should be aware that the applicant/agent/contractors will be continuing to work with ourselves on this proposal of which we will be requiring them to complete another fish rescue,

Yours faithfully

**Miss Jilly Dixon**
