Hi,

APPLICATION 0797

The Parish Council met last night with the above Application as the subject of Public Participation. 35 Sawley Parishioners crammed into the Bolton-by-Bowland Village Hall Committee Room with the Parish Council.

Feelings were running very high and clearly the "No Objections" from the Parish Council did not reflect public opinion.

The Parish Council supports the views as expressed by the objectors, submission and petition attached, and opposes this development.

Cheers
