Drafted 23 October 2012

Dear Sir

**Planning Application, Ribble Valley District
D3-12-0832 McDonald's Restaurants Ltd, RV Enterprise Park, Barrow**

I refer to your letter of 28 September 2012 concerning the above application.

I have no objection in principle to this application on highway safety grounds.

The level of illumination of the proposed signage has been considered and is not a cause for concern in terms of a potential inconvenience or nuisance for passing traffic. It would be more useful to have the lumen figure provided as candelas per square metre for ease of assessment.
