Subject: Planning App 3/2012/0846 Temp Advertising Hoarding, Strawberry Fields, Gisburn

Dear Sir

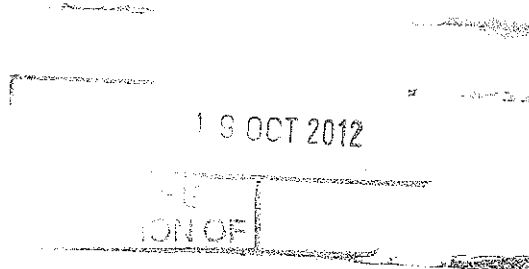

Please be advised that Gisburn Parish Council wish to formally object to the above application.

It is felt that the hoarding is too large, visually intrusive and totally out-of-keeping with the appearance of the village. Furthermore the sign is advertising a national concern (Riverford) of which there happens to be a resident of the village who owns a franchise, rather than a genuine local business.

The Parish Council is not against an advertisement per se but would prefer it to be far smaller and less intrusive.

Yours faithfully

Cathy Holmes
Clerk to Gisburn Parish Council
