Dear Graeme

On consulting the plans for the chapel our council do have two issues, although we are happy to allow the development to proceed.

1. We would wish to see if better arrangements could be made for the parking for the school section of the building. We still can anticipate problems on Chapel Lane especially if the occupants and visitors have to reverse.
2. On inspecting the internal layout of the chapel section we note that there is potential for two dwellings to be constructed in that section, possibly making a total of three dwellings.

Regards

Barry
