Subject: 0959 Wooden Shed

Hi Colin

The Parish Council wishes to object to the above application on the following grounds :-

Looking at the plans for the shed, it seems to be rather large for such a small polytunnel. It is on agricultural land and has mainly been used for Cattle and sheep.

They have used the field for hay.

It seems to me that they may just be trying to put a building in to the site, so they can say that there is a permanent building.

There is still the caravan on this site lower down, which was supposed to house animals.

Kind Regards

Roger Hirst
Clerk to Simonstone Parish Council
