Drafted 28 November 2012

Dear Sir

**Planning Applications, Ribble Valley District
3/12/0971 45 Whalley Road, Sabden**

I refer to your letter of 5 November 2012 concerning the above application.

I have no objection in principle to this application on highway safety grounds. This is consistent with my response in respect of 3/2012/0691.

The immediate frontage of No.45, and along considerable lengths of Whalley Road, is covered by a Traffic Regulation order prohibiting waiting at any time to both sides of the road. Given these existing restrictions on street parking will not be adversely impacted by the proposed development.
