Subject: Consultation on planning application 3/2012/1021 The Hills Farm, Higher Road, Longridge

<<12 1021 consult highways.pdf>>

Please can we have your comments on the above planning application? It is for the proposed installation of an endurance E3120 turbine with a 24.8m hub height and total height of 34.5m to the vertical blade tip, on land owned by the applicant containing no title deed restrictions to developments. I have attached the formal consultation letter and here is a link to view the submitted documents on our website
