G. CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1. THE WRITTEN REPRESENTATIONS PROCEDURE _____

At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or on a separate document why you think a hearing is necessary.

APP/T2350/A/13/2201075 GROUNDS OF APPEAL

BY MR M R HASTON & MRS V C HASTON

CARR MEADOW BARN, CARR LANE, BALDERSTONE, BLACKBURN, BB2 7LN

PROPOSED EQUINE STORAGE BUILDING

Planning permission for the construction of an equine store to support the existing equestrian activities carried out at Carr Meadow Barn was originally sought in August 2011. That planning application was refused and the subsequent planning appeal (APP/T2350/A/11/2166310) was dismissed.

The siting and design of the equine store was modified in the light of the observations and recommendations made by the Inspector and a planning application was submitted in January 2013. The Local Planning Authority again refused planning permission, giving a single reason relating to detrimental impact on the setting of a traditional building and the visual amenities of this area of open countryside. For some reason, the Reason for Refusal also gave an explanation as to why the LPA considered it inappropriate to 'negotiate' with the applicant.

In arriving at its decision to refuse planning permission it is considered that:

- (1) Insufficient weight has been attached to policies contained within the National Planning Policy Framework;
- (2) Weight has inappropriately been attached to 'saved' Local Plan Policy H17;
- (3) The LPA has overstated the importance of Carr Meadow Barn as an undesignated heritage asset;
- (4) The LPA has overstated the impact of the proposed development on the setting of Carr Meadow Barn despite the material efforts made in modifying the scheme to address the concerns raised by the Inspector in the previous Appeal Decision;
- (5) Insufficient weight has been given to the need for, and benefits of, the proposed development; and
- (6) The LPA has not properly undertaken the planning balance.

Given the suspension of the Examination into the Draft Core Strategy due to the serious concerns of the Inspector about the evidence base, less weight should now be attached to the policies contained within it.

Each of these issues will be addressed in more detail within my full Statement which will be submitted.
