Dear Graeme,

Further to our earlier site visit, I recommend the following conditions be required as discussed and agreed;

- *Hours be restricted to 08.00 to 20.00 Mon - Thurs, 08.00 to 19.00 Friday, 08.30-12.30 Saturday, closed Sunday & Bank Holidays;
- Any amplified music etc to be limited to maximum of 70 dB(A) within the fitness room;
- All doors & windows to be closed when amplified music being played;
- There shall be visible and clear notices displayed internally (at least at the front exit) and also externally in parking area reminding patrons to be quiet when approaching and leaving the premises.
- To control noise - no noise to be audible at or beyond the site boundary.

It is recommended that the applicant/representative shall routinely monitor and check external noise levels, when amplified music is being played to ensure levels do not affect neighbouring noise sensitive premises
