Subject: app/3/2013/0068 1 Woodlands Park Whalley

Morning Claire,

The development is relatively small scale and currently has a temporary permission. I am not aware of any highway issues arising from the operation of the business during the temporary permission, however I would expect the local consultation responses to highlight any problems that have arisen due to customer parking .

Unless these issues have been highlighted in any responses received I would raise no objection to the proposal on highway grounds.

Cheers
