Subject: App No 3/2013/0161 - Outline Application for 11 houses, Strawberry Fields, Gisburn
FAO Mr Colin Sharpe

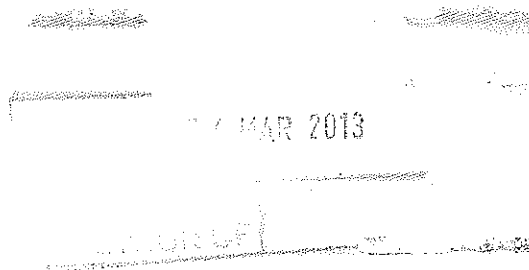

Dear Sir

We are in receipt of hard copy documentation relating to the above application and note that the expiry date for comments is 18 March 2013. Although the documents will be circulated around the Parish Councillors the next Council meeting is on Thursday 21 March 2013 and it would be appreciated if the deadline for comments could be extended to allow the Council to discuss the matter as a group. We anticipate that there may also be a public presence at the Council meeting as there was when the application for 21 houses at the same location was discussed a few months ago.

Please could you advise if we are able to have an extension of time for comments until after our meeting.

Thank you.

 Jerry Holmes
Clerk to Gisburn Parish Council
