Morning Stephen,

The application received does not give any indication of the number of vehicle movements likely to be associated with these temporary works however subject to the following condition being attached to any permission that may be granted I would raise no objection to the proposal on highways grounds

No development shall take place until a construction method statement has been submitted to and approved in writing by the local planning authority .The approved statement shall be adhered to throughout the period of occupation of the site . It shall provide for;

- a) The parking of vehicles of sit operatives and visitors
- b) The loading/unloading of plant and materials
- c) Wheel washing / road sweeping facilities
- d) Proposals for the highway signing in the vicinity of the site access
