PROPOSED  
ACCESS AND CAR PARKING  
ON LAND AT  
1.2.& 3. GREENDALE VIEW  
MAIN STREET  
GRINDLETON

DESIGN AND ACCESS STATEMENT

8/13 12/04/13

## SITE DESCRIPTION

Greendale View is a terrace of four modern properties set back and elevated from the highway approximately 15.0m and 2.0m respectively.

The properties are separated from the highway by a 1.10m high stone wall and Hawthorn Hedge which are deemed characteristic of the conservation area.

The boundary wall of Greendale View has been broken in the past at the north end by the creation of a hard standing, serving a garage at Rose Cottage the immediate neighbouring property.

Also two parking bays serving 1 Greendale View and pedestrian access steps serving the four properties.

The wall has also been breached by the construction of a recessed bus shelter constructed approximately twenty years ago.

Pedestrian access to 1 Greendale View is via steps from the east wall of the car parking bays.

Pedestrian access to 2-3 Greendale View is via a footpath to the north side of the bus shelter running the full length of the properties splitting the front gardens. There is a Hawthorn Hedge to the west side of the footpath enclosing the front section of the garden by virtue of its isolation to the properties and close proximity to the highway, this front section of garden is seldom used.

Pedestrian access to 4 Greendale View is from a gate access through the boundary wall which was subject to recent Planning Permission.

## PLANNING HISTORY

Three planning applications have been refused, application No 3/05/0251/P for off road parking and disabled ramp to 1 Greendale View and the creation of off street parking to 2 & 3 Greendale View. In both cases it was deemed detrimental to highway safety and visual amenity of the conservation area, relating to Policies G1, ENV16 of the Ribble Valley District Local Plan.

The most recent App No 3/2012/0788 was refused on highway grounds and a failure to preserve and enhance the character of the conservation area.

SR 12/04/13

## ASSESSMENT

1,2,& 3 Greendale View are owned by Mr J Fielding he lives with his family at No 1 and rents 2 & 3 long term.

No 4 Greendale View is owned and occupied by Mrs J Bateman . In recent times due to planning refusal for off street parking has successfully secured planning permission for pedestrian access directly onto her land via the highway and implemented the permission. The separating fence between No 3 and 4 Greendale View retains a gate as a token of right of access through the gardens 1,2, & 3 Greendale View .

The existing off street parking arrangement to 1 Greendale View is in the form of an open plan compound with concrete paving stone forming the hard standing . The bus shelter has a shallow sloping roof and separated from 1 Greendale View car parking by access steps constructed out of pre cast concrete stones with a collective length of 11.0m for the three elements.

The visible impact can be considered ad-hoc and unsightly due to its prominence on Main Street and worthy of better.

Relating to refused Planning Permission No 3/2012/0788/P in particular points raised by highways in their report dated 24<sup>th</sup> October 2012 . As we understand the major point relates to our proposal to replace the existing bus shelter with one to L.C.C. Quality Bus Standards.

On reflection the administrative implications involved in replacing the shelter is major. The remainder points are minor and considered not difficult to overcome with this revised scheme. Therefore the bus shelter shall remain .

## PROPOSALS

Greendale View properties command long front gardens between their west facing build line and highway which will allow off street car parking without compromising amenity garden spaces. The partial loss of garden relates to the sterilised front section separated from the main by the bi-secting north-south footpath as shown on existing drawing No 5006a . The loss of garden is bolstered by substantial gardens to the rear and out weighed by the gain of car parking spaces.

SB 12/04/13

The layout in principle has been agreed between the applicant and Trevor Lewis of Highways.

Five car parking spaces have been created. One space allocated to No 1 , two spaces each to No 2 & 3.

Four spaces have an increased width of 3.0m to compensate the restricted turning head.

A dwarf stone retaining wall shall be constructed separating the car park and higher garden areas with access separating steps to each dwelling. A new Hawthorn Hedge shall be planted behind the wall to provide privacy screening. The existing north wall to Rose Cottage shall be reduced to 900mm.

Selected compacted stone shall be used for the car park surface to designed levels not more than 1-20 slope, allowing natural surface drainage.

Despite the occupants at No 4 Greendale View using access steps directly from the highway, access steps shall be formed from the separating boundary to allow continued right of access to acceptable standards.

Landscape shrubbery shall be formed between the access point and bus shelter.

Drop kerbs are in place following previous permission therefore a continuous and accessible footway link is retained.

### SUMMARY

It is agreed the principle of development is acceptable, it is also important the impact of the development on this location within the Grindleton Conservation Area and the A.N.O.B. should be under consideration.

As noted in the officers report to the refused application on Greendale View offer little visual quality or interest .The linearity of the street and boundary wall that fronts the properties is a positive feature within Grindleton Conservation Area, which is considered to be preserved.

8/13 12/04/13

Taking on board the above points, the proposals include the removal of concrete paving setts to the existing car park, removal of concrete steps to the side of the bus shelter and replaced with natural materials.

Under the circumstances we consider the Grindleton Conservation area is preserved and benefits three extra off street car parking spaces.
