Dear Sir/Madam

Planning Application No: 3/2013/0478

Listed Building Consent for the installation of single glazed hardwood framed windows and doors to the first floor level of the Bowling Green Café Clitheroe Castle, Castle Gate, Clitheroe

Thank you for your email of 11 June and letter of 7 June inviting the Lancashire Gardens Trust (LGT) to comment on the above proposal.

It is noted that this application is for relatively modest changes to the windows and doorway to the upper floor only of the café. The use of single glazed windows as opposed to more efficient double glazing is surprising, however, the replacement of the existing PVCu frames is welcomed.

The LGT has no other comments to make on this application.

Please note that this response is being emailed to Jane Tucker and we understand hard copy is not necessary.

Yours faithfully

Elaine Taylor
