Subject: 3/2013/0513 Hammond Drive Read

Dear Colin,

I have no objection to this application, but please note the following comments.

Hammond Drive is an unadopted highway, for which LCC has no maintenance responsibilities. Nevertheless I would make the following suggestions for the access to the existing dwelling plus the two proposed dwellings.

The vehicular access should be a minimum of 4.5m wide. The gates should be set back 5m from the edge of the carriageway in Hammond Drive.

Regards,
Trevor Lewis
Traffic and Development Engineer
