Subject: Planning Application 3/2013/0569

Dear Sirs,

Re: 3/2013/0569 Lloyds TSB Berry Lane Longridge, Illuminated signs, please find below Longridge Town Councils comments on this application.

We object and find the planning application ambiguous as it does not state whether the signs are internally or externally illuminated. This property is in a conservation area and as such should conform to RVBC signs policy.

Best Regards

Rose Adamson
Longridge Town Councillor.
