Planning Application 3/2013 / 0571

Croflands Broad Meadow Chipping PR3 2QU

Chipping Parish Councillors strongly object to the proposed development for the following reasons.

1. This site is a greenfield site.
2. This site is not an infill site.
3. It is outside of the settlement boundary.
4. There are two developments of houses in Chipping centre at the moment. One is completed, the other in progress. None of the houses have been sold.

Chipping Parish Council, strongly feels any proposed new development in the village should conform to the "Chipping Village Plan", which was conceived after intensive surveys in the area.

Barbara Green

Clerk Chipping Parish Council.
