Mark.

Wayne Selway has made some comments on the planning application at Elmridge Farm and has asked me to forward these to you:

Dear Mark

3/2013/0691 Elmridge Farm

As you are aware, this application is a resubmission of application number 3/2013/0100 on which I provided comments dated 11th March 2013.

The applicant has sought to address some of the concerns raised in my report concerning the design of the the proposed agricultural building e.g. additional access points have been provided, an overhang has been added to the eaves, and the height has been reduced.

All other comments in my earlier report remain unchanged.

I apologise for the delay in sending these comments.

Regards

Wayne
