Dear Graeme,

**PLANNING APPLICATION NO:** 3/2013/0737

**PROPOSED DEVELOPMENT:** Proposed residential development (up to 62 dwellings including up to 30% affordable) with partial means of access to, but not within, the site.

**LOCATION:** Hanson Garden Centre, Whalley Road, Barrow, Lancashire

**EDUCATION**

This consultation response seeks to draw the Council's attention to impacts associated with the above development and propose mitigation for these impacts through a planning obligation. The contribution described is directly linked to the development described above and would be used in order to provide education places within a reasonable distance of the development (within 3 miles) for the children expected to live on the development.

The latest information available at this time was based upon the 2013 annual pupil census and resulting projections.

Based upon the latest assessment, LCC would be seeking a contribution for 16 primary school places and 6 secondary school places.

Calculated at the current rates, this would result in a claim of:

Primary places:

$(£12,257 \times 0.9) \times \text{BCIS Indexation } (310.60 \text{ April } 2012 / 288.4 \text{ Q4 } 2008 = 1.076976)$

= £11,880.45 per place

$£11,880.45 \times 16 \text{ places} = \textbf{£190,087}$

Secondary places:

$(£18,469 \times 0.9) \times \text{BCIS Indexation } (310.60 \text{ April } 2012 / 288.4 \text{ Q4 } 2008 = 1.076976)$

= £17,901.60 per place

$£17,901.60 \times 6 \text{ places} = \textbf{£107,410}$

### **Further Information**

If you require any further information about the assessment process, in the first instance, please refer to LCC's Planning Obligations Education Methodology and FAQs at: [http://www3.lancashire.gov.uk/corporate/atoz/a to z/service.asp?u\\_id=2839&tab=1](http://www3.lancashire.gov.uk/corporate/atoz/a%20to%20z/service.asp?u_id=2839&tab=1)

Failure to secure the contributions sought would mean that the County Council cannot guarantee that children living on this development would be able to access a school place within a reasonable distance from their homes.

LCC is unable to specify the school(s) which would have additional places provided at this stage; this is due to the statutory processes surrounding school expansion and the need for consultation.

This response is based on the latest information available at the time of writing. Circumstances may change over time as other applications come forward. Consequently this response may require re-evaluation if the determination of the application is delayed significantly.

### **HIGHWAYS AND SUSTAINABLE TRANSPORT**

The application is being assessed by the LCC Highways and Sustainable Transport teams. A response will be submitted in due course. To discuss the transport issues further please contact Andy Ashcroft on 01772 534168

**Please could you provide us with feedback in terms of the decision, any S106 agreement and if refused, any subsequent appeals to:** [Planning.Contributions@lancashire.gov.uk](mailto:Planning.Contributions@lancashire.gov.uk).

Yours sincerely
