Legacy Record - This information may be included in the List Entry Details.

## Reasons for Designation

Legacy Record - This information may be included in the List Entry Details.

## History

Legacy Record - This information may be included in the List Entry Details.

## Details

SD 63 NW LONGRIDGE HIGHER ROAD

7/125 Nos 6 to 44

27.10.71 [formerly listed as Nos 4 to 44  
(even)]

II

Row of houses, begun in 1793. Squared coursed sandstone with slate roof and brick stacks, except that on the gable (left-hand) wall of No. 44. 2 storeys-with cellars entered at lower ground level to the rear. Windows have plain reveals and projecting stone sills, with modern windows. Each house is of one bay, with the doors of adjacent houses paired, with a third door, leading through a tunnel to the yard, between them. The doorways have plain stone surrounds. Some of the houses now have an extra window on the 1st floor over the door. Nos. 6, 8 and 44 have stone gutter brackets. A keyed joint between No. 24 and 26 indicates a break in construction. Built by the Longridge Building Society, one of the earliest terminating building societies in the country, and used as an example by Price, Seymour J., *Building Societies, their Origin and History*, Cambridge, 1958, pp 32-44.
