**Proposal: Re-Submission of planning application 3/2014/0067 – rear and side extension and alterations to windows**  
**Location: 44 Waddow Grove Waddington BB7 3JL**

Proposed development is an extension and alterations to the existing property. It is noticed that there will be slight increase in the foot print of the property to accommodate living space. Majority of the work appears to be internal modifications to suit the life style of the occupants. There is an existing garage which remains un changed. There is no increase in demand of paring.

It is believed that proposed development is unlikely to have a significant effect on to the adjacent highway network. There is no objection to the proposed development on highway grounds.

Thank You
