6th July 2014

Dear Claire,

Application number 3/2014/0474,
44 Waddow Grove, Waddington, Nr Clitheroe Lancashire BB7 3JL.

The Parish Council would like to make a formal objection to the above planning application on the following grounds:

- The existing and new windows are to be replaced/installed with dark grey ones.
- These new windows in grey are not in keeping with the nearby and surrounding properties ALL of which have white windows.
- If the application is approved then the Parish Council would be grateful if RVBC would make it a condition that the colour of the windows is white – for the reasons stated.

IMPORTANT

Please can you put these objections forward at the planning meeting to discuss this application. This matter only came to the Council's attention as the existing white bathroom window has already been replaced with a dark grey one.

Kind Regards

Carol Baird
