For the

OUTLINE APPLICATION

For

2No DETACHED HOUSES

On land at

CHAPEL CLOSE, LOW MOOR, CLITHEROE

1. INTRODUCTION

The application is an outline one for the construction of 2No detached houses on the site of Chapel close, Low Moor.

The application seeks approval in outline for the construction of the houses with all other matters reserved for a future application.

The site plan shows the extent of the site and its relationship with neighbouring properties, we have also enclosed a copy of the proposed site plan for the adjacent Taylor Wimpey site. Access to the site would be from the extension of Chapel Close created by the Taylor Wimpey development.

2. THE SITE AND ITS SURROUNDINGS

The site is surrounded on two sides by new housing and forms the missing corner to the current development and fronts onto the road.

The site is adjacent to the allotment gardens and has stabling and houses to the rear.

The site has access to all the facilities and transport infrastructure of clitheroe and particularly within Low Moor. The site is within the developed area created by the adjacent development.

The proposal falls within the policy of the council in relation to high quality design and of a small scale and is a sustainable development in terms of local services.

The site is of more than adequate size to accommodate the two dwellings proposed and will as a small scale development generates work for local business involved in the construction of the houses.

The site has access to all mains services and the proposal would not affect any trees or other wildlife
