**Proposal:** New two storey extension to rear  
**Location:** 25 Watt Street Sabden Clitheroe Lancashire BB7 9ED

Proposed development is two storey rear extension to the existing dwelling. Proposed works involve erection of kitchen in the yard area. Above the new kitchen will be first floor which will accommodate bathroom and W/C area. There will be existing pedestrian access to the yard area as existing.

It is anticipated that there will be several delivery vehicles including contractors vehicles and construction machinery including traders vehicles visiting the site during the time of construction. All such vehicles must not affect the normal traffic on the adjacent road network. It is believed that proposed development is unlikely to have significant effect on to the adjacent highway network. There is no objection to the proposed development on highway grounds.

Thank You
