Subject: Planning Application Comments

Planning application comments from Wilpshire Parish Council as follows:

3/2014/1063 Right at Home, 15 Whalley Road, Wilpshire Change of Use of disused garage/store room to office

WPC – No objection to this but would like to draw the Council's attention to the banners on the building and would like to see these removed.

3/2014/1101 Kemple View, Longsight Road, Langho Temporary Workshop Structure for rehabilitation use

No comment

3/2015/0039 – Rock Mount York Road Wilpshire

Single storey extension to rear and new garage to roadside

WPC- object to the siting of the garage which is in front of the building line and would have an adverse impact on the street scene.

Kind regards

Lesley Lund
Clerk to the Council
