Dear Sirs

Planning Reference 3/2015/0555

Prior Notification LDO No 2 BAe Systems

Proposal : Creation of a temporary construction haul road and demolition of former compound buildings adjacent to Enterprise Zone A59 access.

Case Officer : John Machole

Mellor Parish Council have no material objections to the above application, and do appreciate that they have had notification of an application which is within Balderstone Parish..

Please accept my apologies for the delay in responding to the request for observations : this came just as Parish Council had met, and councillors were not aware of the change to the planning consultation as a number of councillors were away on holiday.

Kind regards,

TERESA TAYLOR
