Dear Sirs

Planning Reference 3/2015/0558

Prior Notification LDO No 2 BAe Systems

Proposal : Construction of a Defence Logistics Centre for storage and distribution of parts and materials, including an office, cold room store, warehouse, parking for 120 vehicles, delivery yard with areas for parking delivery vehicles, plant, waste storage area, landscaping, security fencing, drainage and lighting.

Case Officer : John Macholz

Mellor Parish Council have no material objections to the above application, and do appreciate that they have had notification of an application which is within Balderstone Parish..

Please accept my apologies for the delay in responding to the request for observations : this came just as Parish Council had met, and councillors were not aware of the change to the planning consultation as a number of councillors were away on holiday.

Kind regards,

Teresa Taylor
