Subject: 3/2015/0017 - Removal of existing roof covering, extension to existing brickwork at first floor level, construction of new ground and first floor extension and new garage to front elevation/garden - 4 Hammond Drive Read BB12 7RE

F.A.O: Claire Booth

Planning Application No: 3/2015/0017

Grid Ref: 376157 434843

Proposal: Removal of existing roof covering, extension to existing brickwork at first floor level, construction of new ground and first floor extension and new garage to front elevation/garden area.

Location: 4 Hammond Drive Read BB12 7RE

It is anticipated that during the construction works , there will be several delivery vehicles, construction machinery, contractors vehicles and trade men's vehicles visiting the site. All such vehicles shall be parked in such a way that they do not affect normal traffic on adjacent public highway.

Proposed development is unlikely to have a significant effect on to the adjacent highway network in terms of safety and capacity of the highway network. There is no objection to the proposed development on highway grounds.

Thank You
