Subject: 3/15/0509 - LLFA response

Categories: Yellow Category

FAO Adrian Dowd

Application Number: 3/15/0509

The Lead Local Flood Authority (LLFA) has no comment to make on the above application for the following reason:

LLFA Flood Risk Standing Advice should have been applied	
It is not listed in the 'When to Consult the LLFA' document or in the Development Management Procedure Order 2010	X
Valid consultation but unable to respond due to workload	
Valid consultation as LLFA Flood Risk Standing Advice does not apply but development is minor/not high risk	
Valid consultation but the proposal to carry out works or operations are not within 8 metres of the top of the bank of an ordinary watercourse
