Subject: Comments on Planning Applications

Wilpshire Parish Council would like to comment on the following planning applications:

WPC – No objections

3/2015/0588 – 32 The Hazels Wilpshire – alteration and extension of existing dwelling to include side and rear extensions remodelling of front elevation

WPC – No objections

3/2015/0685 – 6 Woodcrest Wilpshire – single storey front extension – the plans were not clear and Cllr Briffett would have a look and report back any comments.

3/2015/0605 erection of a ground mounted solar voltaic array and associated infrastructure at Little Snodworth Farm, Langho

WPC – objects to this application on visual grounds the land slopes and so the height is more prominent and would destroy the openness it felt that this was an inappropriate location for this development having an adverse effect on the green belt .

Kind regards
