Subject: Planning App: 3/2015/0759 land off Mill Lane, Gisburn

FAO Mr Stephen Kilmartin

Dear Sir

Please be advised that Gisburn Parish Council discussed the above application at its meeting last night and the Council wish to object to the application. The changes to the intended layout of the development of three houses will result in an increased level of intrusiveness to the existing properties on Mill Lane which will border the development as well as increased noise levels for those same properties from the development's road and occupants. The Parish Council believe that the changes to the development proposed are to the detriment of the residents of the existing properties on Mill Lane and are not readily justifiable.

Yours faithfully

Cathy Holmes
