

Bowland with Leagram Parish Council

Peacock Hey Farm
Chipping
Preston
PR3 2QR

5th October 2015

Dear Sir

Re Planning Application Nos. 3/2015/0766 & 3/2015/0767

Land at Malt Kiln Brow, Chipping

On initial inspection, the Parish Councillors feel that the new applications have not addressed the areas of refusal for the previous applications 3/2014/0183 and 3/2014/0226.

There are 600-700 pages of new reports, which on brief inspection, appear to have been produced for the applicant to give a “best view” opinion.

The whole planning applications have only been made available in paper format last week, so a further, more detailed response will be given once all the documents have been fully considered.

A public consultation event is also to be held to gauge the feelings of local people and this feedback will also be included within our response.

Yours faithfully

J Marginson
Parish Clerk
