Subject: app3/2015/0972 Haydock Nursing Home

Afternoon Adam,

The proposal whilst satisfying the parking requirements for the care home would appear to be relying on the rearrangement of the parking provision for the industrial units opposite. Would it be possible to ask for a land ownership plan to determine if this is the case. I am mindful that the granting of planning permission may result in the proposed parking provision being undeliverable or may adversely affect access to the industrial premises and farm further into the industrial estate.
