For the attention of Adrian Dowd.

Proposal:	Conversion of part of garage to create guest bedroom
Location:	Wilkinsons Farm House Simonstone Lane Simonstone BB12 7NX
Grid Ref:	377424 - 434257

With regard to your letter dated the 18th December 2015

The Highway Development Control Section does not have any objections regarding the proposed conversion of part of garage to create guest bedroom and are of the opinion that the proposed development should have a negligible impact on highway safety and highway capacity in the immediate vicinity of the site.

Based on the Joint Lancashire Structure Plan the Highway Development Control Section is of the opinion that the applicant has provided adequate off road parking provision for this type and size of development.

The Highway Development Control Section recommends the following condition as part of the formal planning decision: -

1. Notwithstanding the provisions of the Town and Country Planning (General Development Procedure) Order 1995 and the Town and Country Planning (General Permitted Development) (Amendment) (No 2) (England) Order 2008, or any subsequent Orders or statutory provision re-enacting the provisions of these Orders, all garages shown on the approved plan shall be maintained as such and shall not be converted to or used for living accommodation without the prior written approval of the Local Planning Authority in consultation with the Highway Authority.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Stewart Gailey
Highway Development Control Engineer
