**Subject:** COMMENTS ON PLANNING APPLICATIONS FROM LONGRIDGE TOWN COUNCIL

3/2016/0193 LAND EAST OF CHIPPING LANE LONGRIDGE

At the meeting held on 23 March 2016 I was asked to forward the additional comments as below to add to our comments already sent to you:

LTC were concerned that there was no mention of drainage with this Reserved Matters application.

LTC would like to know what the developer proposes to do in respect of the flooding on the site.

LTC would like to see a response to the flood report from the professionals - ie flood authority

LTC would like to know who (which authority) would be responsible should the land flood?

-----

Planning application number : 3/2015/0998

First and ground floor rear extension at 27 College Close, Longridge

LTC - No objections

Kind regards

Lesley Lund

Town Clerk
