Dear Sir

full planning application to demolish existing building and erect new sheep building mill house Farm Chipping road Chaigley for Mr D Penning ton

We attach the relevant forms and documents which form our planning application for a new sheep building

The existing shippon is not suited to modern farm practice and too small to accommodate the applicants flock. The reason for the replacement of the building is set out in the attached planning statement.

A pre application enquiry was submitted and a meeting held on site. Written confirmation concluded the application was acceptable in principle and a full planning application should be submitted.

The fee will be paid by the client by telephone.

If you have any queries please contact the writer.

Your faithfully

E P Smith
