For the attention of Robert Major.

Proposal:	Proposed internally illuminated totem signage 7.46m high adjacent to entrance.
Location:	Lidl Foodstore Shawbridge Street Clitheroe BB7 1LZ
Grid Ref:	374602 - 441669

With regard to your letter dated the 24th August 2016

The Highway Development Control Section does not have any objections regarding the proposed internally illuminated totem signage and are of the opinion that the proposed development should have a negligible impact on highway safety in the immediate vicinity of the site.

The Highway Development Control Section recommends the following condition as part of the formal planning decision: -

1. The limits of the illuminance shall not exceed those described in paragraph two of Schedule 3 Part II of the Town and Country Planning Act (Control of Advertisements) Regulations 1992. Reason: To avoid glare, dazzle or distraction to passing motorists and pedestrians.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Stewart Gailey
Highway Development Control Engineer
