<b>Location:</b>	19 King Street Clitheroe BB7 2EU
<b>Grid Ref:</b>	374262 - 441952

With regard to your letter dated the 7<sup>th</sup> January 2016

The Highway Development Control Section does not have any objections regarding the proposed revised ground floor rear extension and are of the opinion that the proposed development should have a negligible impact on highway safety and highway capacity in the immediate vicinity of the site.

Based on the Joint Lancashire Structure Plan the Highway Development Control Section is of the opinion that the proposed development will not increase parking demand.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Highway Development Control Engineer
