Dear Adrian,

Please find below the responses for the above application - it's a 3 fold reply as I am not only the Clerk of Mitton and Bashall Eaves Parish Council but I live at Church Cottage and am a Churchwarden at All Hallows' Church, Mitton - I trust sending one reply included all the responses is OK.

Neither The Parish Council, All Hallows' Church nor the residents of Church Cottage have any particular objection to the application. The only comment from all parties is that RVBC consider if the conservatory is in keeping with the building and is constructed in a manner and of materials that are sympathetic to the area.

Best Regards  
Michael Ainsworth
