FAO A Dowd

Dear Mr Macholc,

Planning Application 3/2016/0167: Formation of 2 no. tarmacadam tennis courts to LTA standards and seasonal polythene inflatable dome with perimeter fence and floodlighting, reconfiguration of car park and formation of 2 no. coach lay-bys; Stonyhurst College, Avenue Road, Hurst Green BB7 9PZ

Thank you for your consultation on the above planning application. We do not consider that it will have any significant archaeological implications, nor should it make any significant additional impact on the setting of the nearby Listed Buildings given the existing sports facilities here. We would however recommend that you formally consult Historic England with regard to the location of the site inside a Registered Park and any potential impact.

Please note that the above comments have been made without the benefit of a site visit.

Yours sincerely

Peter Iles
