Dear Mr Major:

PLANNING APPLICATIONS 3/2016/0247

The Parish Council objects to this application. Presently the area to which the applicant wishes to build is used for parking and storage of waste. The resultant displacement of vehicles will have a negative impact. The village centre parking provision is inadequate and this proposal will lead to greater competition for on street parking spaces. This will be to the detriment of local residents and businesses.

The lack of adequate and acceptable waste storage facilities would result in the potential for waste to be stored on the adjacent highway. Following the floods the area has seen an increase in vermin. Creation of an additional food supply would only exacerbate the problem.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Fred Holland', is written over a light blue horizontal line.

Fred Holland
