Morning Rebecca,

The proposal raises no highway concerns and I would therefore raise no objection to the proposal on highway grounds, however I note that public footpath No. 3-13-FP9 passes close to the site and I would therefore request that the following note be attached to any permission that may be granted.

Note

1. The grant of planning permission does not entitle a developer to obstruct a right of way and any proposed stopping-up or diversion of a right of way should be the subject of an Order under the appropriate Act, Public Right of Way 3-13-fp9 runs close to the site
