Ribble Valley Borough Council
Planning Department

YOUR REF:

Date: Wednesday, 27 April 2016

Dear

RE: Planning Application 3/2016/0333 Blue Trees, Copster Green, BB1 9EP

Salesbury Parish Council object to this planning application and make the following observations:-

- There appears to be no design submitted for the extremely high boundary fence (8ft plus height reduced from 10ft plus)
- The design of the intended caravan has increased in size
- The profile of the roof has changed with yet again major dominant impact on the adjoining properties
- The design of the huge doors has changed but cannot be justified. (Should permission be granted this is the first thing that one would apply for a change of conditions in design considerations)
- The proposals are not conducive with the environment or street scene of the hamlet of Copster green

Kind regards

Yours sincerely

Matthew S. Robinson
Clerk to Salesbury Parish Council
