Subject: app3/2016/0404 Shawhouse Farm , Amendment

Morning Robert,

I presume that the amendment refers to the inclusion of "livery stable" in the application description, on that basis my previous comments dated 17th May will need to be addressed so I can be satisfied that there is ample space available for users of the livery stable to park and also sufficient manoeuvring space for towed horse boxes etc. The comment regarding passing places would also be applicable.
